

Leybold Service

Easy, Competent, Reliable

■ WE ARE WHERE YOU ARE

With our comprehensive range of innovative service solutions, we offer unrivalled support for your Leybold vacuum pumps and we are committed to:

- Providing you with a reliable, first-class service throughout your pump's lifecycle, no matter where in the world it is installed.
- Maximizing your pump's uptime and ensuring it gets the best possible service.
- Offering you specialist support with preventive maintenance and repairs.

Read on to find out more about our complete range of vacuum pump services and how our specialists can help you. The rewards are maximum uptimes, low running costs and longer lifecycles.

SERVICE CONTRACTS: Our full range of service contracts are designed to ensure the lowest total cost of ownership of your pumps, maximizing their performance and uptime. From preventive maintenance contracts to warranty extensions, we offer you customized solutions that let you focus fully on your production by providing a perfect match to your needs.

SPARE PARTS AND KITS: Our genuine spare parts fit your vacuum pump perfectly to ensure high reliability, performance, and a long service life. To ease your workflow and ensure you have everything you need for your pump, we put together spare parts kits for specific maintenance activities.

LEYBONOL VACUUM PUMP OIL: LEYBONOL has been specially formulated to achieve the best performance for your pump. The premium quality of LEYBONOL ensures long oil exchange intervals and reduces power consumption as well as wear and maintenance costs. Our certified oils keep your production running and extend your pump life expectancy. You can find the correct oil for your pump using the **Oil Finder**.

GENIUS INSTANT INSIGHTS™ Our connectivity solution offers you 24/7 remote mobile access to your vacuum pumps. Alarms on failures, service maintenance, insights on up-time and energy consumption are all transparent on the Genius Portal. With Genius you can set up real time notifications about important events coming from the vacuum system, giving you the opportunity to avoid costly downtime and production losses – it has never been so convenient and easy to have a healthy and reliable vacuum pump installation.

SERVICE TECHNOLOGY CENTER: Fully equipped to handle pumps from every kind of application, even the harshest, our service technology centers are ready to service your pumps. From preventive maintenance to repair, we offer transparent fixed-price solutions and the capability to do anything your pump requires.

FIELD SERVICE: Our team of vacuum pump experts come to your site to perform maintenance on your pumps, whether it is routine service or troubleshooting. Competent, reliable and there for you, they know what your pumps need to perform flawlessly at their best.

CERTIFIED AND EXCHANGE: Our certified and exchange stock is always available in an emergency and to ensure your manufacturing continues as smoothly as possible with a minimum of downtime. All pumps come with a 12-month warranty and are rebuilt and tested to industry standards to ensure that they deliver OEM performance.
