

## PROTECTION THAT POWERS PRODUCTIVITY

It is important for you to protect your investment and aim for consistent long-term performance. **Extended Warranty** keeps your vacuum equipment on track by offering you additional coverage for unforeseen repair costs.

### Safeguard your investment

Avoid unexpected repair costs and keep your operations running smoothly with Leybold's Extended Warranty. Benefit from up to three years of breakdown repair coverage and enjoy direct, priority access to professional Leybold technicians assuring expert support exactly when you need it.

## Extended Warranty ServicePlan™ for Vacuum Pumps

### How can you maintain consistency and improve productivity?

Reliable performance and productivity depend on the proper functioning of all components. Routine maintenance with compatible spare parts and oil, designed for long-term quality, is recommended for optimal equipment operation.

### How can you best protect your investment in vacuum equipment?

Unexpected repair costs can strain your budget. By using genuine Leybold oil and spare parts throughout the coverage period, you help maintain optimal performance and qualify for extended warranty coverage, for up to three years, for an additional cost.

This ServicePlan™ is only applicable for specific vacuum equipment models, and terms and conditions apply. Please contact your service representative for more information.

Your **ServicePlan™** features **GENIUS Instant Insights™**, a remote monitoring solution designed to maximize production uptime and reduce operating costs. By continuously tracking your vacuum equipment's performance, we help prevent unplanned failures through early issue detection and proactive intervention. You'll also gain access to the **GENIUS Portal**, providing 360° visibility into your equipment's status and operating conditions, empowering you to make faster, more informed maintenance decisions.

\*Only compatible with select vacuum equipment models.
