Description	
1	Please enter your company details in the registration form. Fields marked with an asterisk (*) are required.
2	To determine the uniqueness of your company address, you can enter the D-U-N-S number of your company in the form. If necessary, please look up your number under https://www.upik.de/en/dunsanfordern.html and enter it into the form.
3	Please enter or check and update your personal contact details .
4	While you can provide a general e-mail address for your company , you must enter your personal business e-mail address with your personal contact details .
5	Under Login name please choose a personal login with which you want to log in to the suppliers' portal in the future.
6	After clicking on Check data your details will be validated. If any required fields are missing or if your login name is already assigned, you will be taken to the form again. If everything is fine, please submit your data by clicking on Send . To edit your data again click on back/return. Step 1 has now been completed successfully.
7	You will now receive and email with your initial login details .

Logging into E2L / Jaggaer

Receiving your personal login details

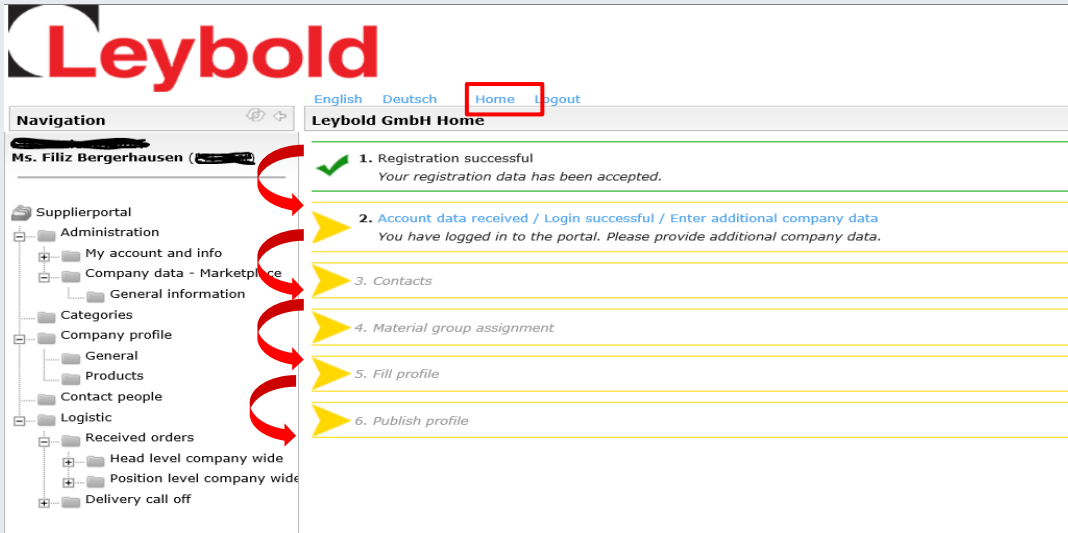

- After registration, you will receive your personal login details via email.
- To long on to the portal, go to this link:
<https://app11.jaggaer.com/portal/lb>
- Please enter your **user name** and **password** and click on **Login**.
- As a next step, you must **set a new personal password**. Please regard the password rules.
- After setting your new password, you will be taken to the next registration step.
- **You will have to complete another five onboarding steps, before you are fully boarded!**
- **Please remember your login details!**

The screenshot shows the E2L login interface. At the top center is the E2L logo in red. Below it are two input fields: 'Username' and 'Password'. A 'Login' button is positioned below the password field. At the bottom of the form, there is a small red link that says 'I forgot my password'. Below the form, there is a footer with the text 'Powered by JAGGAER Direct V4 — © 1999-2020 JAGGAER' and another red link 'I forgot my password'. At the very bottom, there is a privacy notice: 'When you use our Solution, we process your personal information as described in our Service [Privacy Policy](#)'.

Entering your supplier profile

To complete your registration, 5 more steps are required

The screenshot shows the Leybold supplier portal interface. At the top left is the Leybold logo. Below it is a navigation bar with 'English', 'Deutsch', 'Home' (highlighted in a red box), and 'Logout'. The main content area displays a progress bar for the registration process. Step 1, 'Registration successful', is marked with a green checkmark and the text 'Your registration data has been accepted.' Steps 2 through 6 are marked with yellow arrows and are currently pending. The steps are: 2. Account data received / Login successful / Enter additional company data; 3. Contacts; 4. Material group assignment; 5. Fill profile; 6. Publish profile. A sidebar on the left contains a navigation menu with categories like 'Supplierportal', 'Administration', 'My account and info', 'Company data - Marketplace', 'General information', 'Categories', 'Company profile', 'Logistic', and 'Received orders'. Red arrows point from the 'Home' button to each step in the progress bar.

- Please complete the registration process **quickly**.
- Return to this overview anytime via **Home**.
- All **completed steps** are marked **green**.
- **Update your details** anytime after registration.
